

WILLIAMS SYNDROME FAMILY SUPPORT GROUP VIC INC
invites you to our

WSFSG Annual General Meeting

Attend this years AGM with a difference. Come and meet other parents and family members. Leave the kids at home and enjoy a meal out with friends new and old. Everyone is most warmly welcome.

Presenting on the night some of the latest research findings on WS by Dr Darren Hocking. He will be talking to us about the unique ways that anxiety presents in WS throughout some of the key age stages from infants to adults. How might this relate to sleep issues and most importantly, what can we do? Presenting some strategies for us to take home.

We will follow by a succinct AGM to vote in our new committee and wrap up the official business. There are some key vacancies this year with both the secretary and president positions to be filled. If you would like to discuss further what may be required, please contact Peter Trewella 5441 1084, Justine Hall 98080606 or Robyn Aldous 0404332581. Please note that you do not need to live in Melbourne to fulfil these roles.

When: Sunday 19 June @ 4.30pm

Where: Firechief restaurant Function room, 169 Camberwell Rd, Camberwell firechiefpizzeria.com.au

Dinner, 2 course meal, entrees to share, selected choice of main.

Cost: \$20 per person (Please note this is a subsidized price and only available with pre-booking)

Please note cost is for meal only, drinks are available at bar prices.
